This information may include your name, mailing address, phone and fax numbers, e-mail address, contact preferences, credit card information and your company name and mailing address (“Personal Information”). For example, when you express an interest in obtaining additional information about a Service, we collect your name, phone number, company name and e-mail address. 1.3 *Purpose.* Schletter may use your Personal Information for various purposes, including without limitation, to fulfill and manage orders, process payments and respond to requests for order status updates. Schletter may also use your Personal Information to send you marketing communications and other information regarding our products, promotions or special events. Additionally, your Personal Information may be used to generate statistics and reports for internal data analysis, to develop and manage Schletter’s business operations and to meet legal and regulatory requirements.

1.4 *Website Navigational Information.* As you navigate a Site, Schletter may also collect information (“Website Navigational Information”) through the use of commonly used information-gathering tools, such as cookies and web beacons. Website Navigational Information includes standard information from your web browser (such as browser type and browser language), your Internet Protocol (“IP”) address, the full Uniform Resource Locator (URL) clickstream to, through, and from a Site (including date and time), the actions you take on a Site, such as the web pages viewed, the links clicked, products you viewed or searched for, and your purchase history. We sometimes aggregate purchase history information from Customers to create features such as bestsellers and product suggestions.

1.5 *Cookies.* The Sites use Google Analytics, a web analytics service provided by Google, Inc. (“Google”). Google Analytics uses “cookies”, which are text files placed on your computer, to help

track how you interact with a Site. The information generated by the cookie about your use of a Site (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of a Site, compiling reports on your Site activity and providing other services relating to site activity and internet usage. Google may also transfer this information to third parties if required to do so by law, or if such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, but doing so may limit the functionality of the Sites. By using a Site, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

1.6 Web Beacons. Schletter uses web beacons alone or in conjunction with cookies to compile information about Customers' and Visitors' usage of a Site and interaction with e-mails from the Company. Web beacons are transparent images or code placed on websites or e-mails that track which link a user clicks on. For example, Schletter may place web beacons in marketing e-mails that notify the Company when you click on a link in the e-mail that directs you to a Schletter Site. Schletter uses web beacons to operate and improve the Company's Sites and e-mail communications.

1.7 Software Used. During some visits we may use software tools such as JavaScript to measure and collect session information, including page response times, download errors, length of visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), and methods used to browse away from the page.
